Special Requirements: Please let us know if your caravan or motorhome is non UK specification e.g. especially large, a continental style (door on opposite side), if you will be using a rear awning, extension awning or any other specific requirements.

Specific Pitches or Pitches booked "together" Where guests request specific pitches or pitches together, we will do our very best to accommodate such requests, but we cannot guarantee specific pitches, and no refunds will be given if pitch numbers are changed.

Children 0 – 18years Moor View is an *adult only park*, and Children are not permitted entry to the park at any time – this includes as day visitors. Please note our home is adjacent to the park and as we have three children of our own, they may occasionally be seen with us around the park.

Vacating your pitch: - Please vacate your pitch by 11.00am. If you would like to leave later than 11.00am, please speak to us beforehand - a further charge may be required.

Day Visitors If you are expecting visitors, please inform us in advance of their arrival, and provide us with a car registration number. Cars must be parked in the car park. **(Please note the no children policy.)**

Cars Second cars must be parked in the Car Park. We have a strict 5mph speed limit (walking pace) while driving on the park.

Dogs Well behaved dogs (with up to date vaccinations) are welcome at Moor View. We expect owners to have full control of their dogs at all times; dogs must be kept on a lead and not allowed to roam freely. Dogs must not be left unattended in the caravan unless the owner is absolutely sure they will not become distressed and bark. Please consider others - dogs must not be allowed to bark. We will ask owners to leave the park if they are unable to control their dog, or if their dog becomes a nuisance to others. We are dog owners ourselves.

Caravan Vehicle Alarms Please do not set your alarm while on the park. This is due to alarms going off (all false alarms) while the owners have gone out for the day, leaving other guests on the park with the noise of the alarm ringing all day. However if keys are left with reception then alarms may be set.

Noise / Televisions / Radios We respectfully ask that in general terms guests are conscious of others and pay due consideration to their level of noise especially during hot weather when they have windows open and particularly after 10.00pm. We have found through experience that because our location is so quiet, sound travels. Therefore **we do not permit televisions or radios in Trailer Tents or Awnings.**

Cleaning The toilets and showers are cleaned between 10.30am – 1.00pm. The facilities may be closed during these times.

Changes to Terms and Conditions / Pitch Fees: Moor View is open 365 days a year therefore we review our Terms and Conditions / Pitch Fees continually and do not fix our prices from 1st January – 1st January, therefore we reserve the right to change any Terms and Conditions and Pitch Fees at any time, however, once we have confirmed your booking the price of the holiday will not change unless the rate of VAT changes.
